

# Teaching Vocabulary in the Virtual Classroom: Strategies that Work

By Oscar Reyes, MA

July 16th, 2021

Handout

## Breakout Room: Discussion

1. Share experiences related to teaching vocabulary
2. Share strategies/activities that you have used
3. Select some worth-sharing strategies/activities
4. Share your insights with the rest of the attendants

## Online Tools for Teaching Vocabulary

1. <https://visuwords.com/faith>: Visualize words with interactive spider-like connections
2. <https://www.wordnik.com/words/faith>: A traditional dictionary with a twist
3. <https://www.vocabulary.com/>: Adaptive learning game that will have you mastering new words in no time.
4. <https://gre.magoosh.com/flashcards/vocabulary> : Advanced sets of words
5. <http://lingro.com/>: Make most websites “vocabulary-meaning-clickable”
6. <https://www.spellingcity.com/>: Introduce sets of word to practice
7. <https://freerice.com/categories/english-vocabulary>: Practice vocabulary, and help people!
8. <https://www.blooket.com/play>: similar to Kahoot
9. <https://whiteboard.fi/>: similar to Kahoot
10. <https://wordwall.net/>: Make custom activities for your classroom. Quizzes, match ups, word games, and much more.
