

## Liven Up: Teaching Grammar in the Virtual Classroom

By Aída Sermeño

August 20th, 2021

### Handout

#### Online Tools for Practicing and Creating Grammar Exercises

In the following sites, you can find an infinite number of premade exercises. You can also create your own content.

- <https://www.liveworksheets.com/>
- <https://www.baamboozle.com/games>
- <https://wordwall.net/es>
- <https://busyteacher.org/>
- <https://en.islcollective.com/>
- [Movie Segments to Assess Grammar Goals](#)

Online tools to interact with students

- <https://padlet.com>
- <https://jamboard.google.com>
- <https://www.mentimeter.com/>
- <https://www.polleverywhere.com/>
- Emojis on the video conference platform you use
- Use of the chat in the video conference.
